We all really enjoyed our **Space Themed Projects** and **World Book Day** last term: we haven't had a newsletter since the classes' final outcomes and it would be a shame not to celebrate the brilliant work here in the newsletter.

Skiffs Class finished their project with a rocket blasting evening in school. The children took part in star {cloud} gazing, preparing their own dinner and presenting their film and songs about Amelia Earhart and the Wright Brothers.

Lugger Class had a visit from James who took part in the astronaut training for the BBC's 'Do they have what it takes' show. After they shared tea the children, stories and toasted marshmallows with James around a camp fire,

spotted a few constellations (between the clouds) and fired their air powered rockets across the playground.

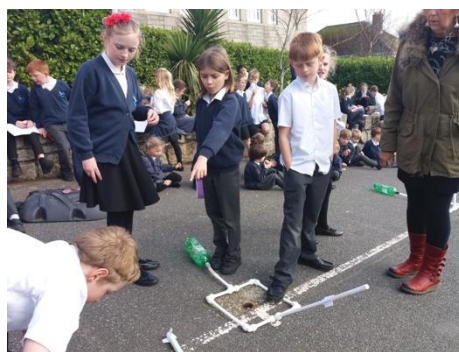

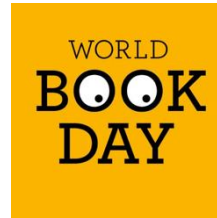

Schooner Class had a wonderful evening at the Solomon Browne Hall for their pop-art space exhibition.

Where parents admired children's creations and were able to read their fantastic science fiction stories.

Dinghy Class premiered their amazing feature film 'How Big is the World?' It was a pleasure to welcome their parents and share some popcorn and a St Clements Juice.

We were really excited to hear about a chance to help protect the endangered **Long Horn Bee**. One of only six nesting sites in Cornwall has been found in Mousehole. With our friends from Trythal School we have already planted some vetch which the bees really like and, working with the bee expert Paddy Saunders, will be looking for other suitable sites in Mousehole.

At our first **Celebration Assembly** after the nice long break, the **Star Awards** go to Jago and Bella in Dinghy Class, Mercy and Sequoia in Skiff Class, Tilly, Daniel and Ben in Lugger Class and Anya and Luke in Schooner Class. Congratulations, you are all Mousehole stars!

Can we please remind everyone that all school **Sports Kits** need to be returned clean and ready to be used for the next sporting event. If you are regularly taking part in school sporting events, we have the orange hoodies for sale from the school office costing £15.

We would like to thank **FROMS** {Friends Of Mousehole School} and all the parents who support them for all their

fundraising which has enabled the school to have bespoke boot racks and bag stores built for the children to use. Coat and bag storage has always been a problem in our limited space so at long last we are able to keep things a little tidier.

This year's **School Performance** will be taking place on the 19th July. Is there anyone who can assist with helping to create costumes for the play – simple cutting out and gluing? Please see Mrs Newborn if you can spare some time.
