

**We aim to create an exceptional school that harbours confidence, respect and a love of learning and prepares children for the challenges and adventures of life.**

The loud and howling wind was ruthlessly whipping through the wild and stormy night. The clouds loom above in a dark and gloomy way. Lightning zigzags across the sky slashing in a never-ending and cruel competition, against the ear-piercing rumble of thunder. The fearsome sky was as black as a pouncing panther. The sea let out sudden explosions of alarming sprays. Mountainous waves crash down for a few seconds then build back up again. Bubbling foam twists and turns as white horses laugh and sneer as they crash. The boat is tossed and thrown and back and forth. The glimmering moon struggles to break free of the strong grasp of the grey and stormy clouds.

At our first **Celebration Assembly** of the new term the **Star Award** certificates went to Riley, Tallulah and Lacey in Skiff Class, Jonquil, Meghan and Louis in Lugger Class and Katie, Kyla and Isla Mc in Schooner Class. Congratulations and well done, you are all Mousehole stars!

### **Skiff Class**

have had a very busy couple of weeks. As part of this term's

class project, they rescued a badger that was caught in a net on the school field. They have also been out and about looking for and picking blackberries which they then used to make some very yummy blackberry cakes. The Class have also been out visiting the Seal Sanctuary.

**'Schooliform'** – we would like to remind all parents about our school uniform. Details are available from our website but the highlights are:

- Plain grey trousers, shorts, skirt or pinafore (or blue gingham dress)
- Plain socks in white, grey or black (especially if not covered by trousers)
- Shoes should be plain black (no coloured stripes or logos please)
- Sandals must have closed toes and should be black, grey or dark blue.
- Jumpers, cardigans and PE tops should be bought from the school office.

Hopefully you will all have noticed the recent communication about the governor's intention to join the **Truro and Penwith**

**Academy Trust.** Forms are available from the office for you to share your feelings and thoughts on this proposal.

**Lugger Class** have been hard at work analyzing various materials for their project: **The smugglers and wreckers of Cornwall – criminals or heroes?** They are working out the best way to transport different materials but first they need to decide whether they are solids or liquids. Salt is a very tricky substance to decide on. Zach Crawford says, “You can pour it but I think it is a **solid** made of lots of small pieces”.

At the start of this term we have noticed that some parents have been coming into the school building when **Dropping their Children Off**. Now that we are all back into routine, we would ask that parents respect the requests of staff and allow the children to line up and come into school with their classmates. If you are late, please say your goodbyes at the entrance to the school building. In the interests of equity, of promoting children's independence and as part of our safeguarding duty, Mr Roynon has asked all staff to challenge any adult trying to enter the building between 8:50am and 3:00pm.

All our **Music Lessons** have now started including the new double bass. Some of the children have asked if they can start singing lessons. If your child is interested, then either contact the Cornwall Music Service Trust direct or the school office.

We are very excited to be extending our involvement with **Mousehole Football Club**. Jason Blunt (ex. England under 18s player and under 23 coach at Leeds United) has started working with our players at football club

and is hoping to be helping with some PE lessons later in the year. We have been asked to provide mascots for the upcoming match between Mousehole's first team and the Leeds United under 18/23 team. If anyone is interested, they should speak to Mr Roynon at football club.
