Schooner Class have been reading lots of gruesome Greek myths. They have created Minotaur labyrinths using mathematical patterns, so if you wondered what was going on in the playground with all the chalk lines that is the reason.

Congratulations to the football team who beat Mevagissey School 7-0 on Tuesday! We are now in the Centenary Shield Final which will be played at Truro City's ground in front of the large under 19 International crowd. Fantastic job team, we are really proud of you all!

The **School Choir** did us all proud and sang brilliantly on Thursday evening when they performed at Truro Cathedral as part of the combined school's choir. The children had a late but exciting evening and got to hear some other really talented musicians from all over Cornwall.

Schooner and Skiff classes had a great day working with Jonny

Davy this week making rockets, breeches buoys and some super life saving jackets for their teddies.

We are hoping to see Jonny again later in the term for our science

week when he will work with Skiff and Schooner Classes.

To celebrate St Pirans Day on the 5th March we will be having another special **Lunch Menu**. Check out the notice board for the potatoe jowdle, oggy and figgy obbin. And again on the 19th March we will be having a Greek meal which links into this terms theme in Schooner Class. School meals are charged at £2.20 so we ask that you continue to make your prompt weekly payment to avoid the school being charged for unpaid meals.

We have a vacancy for a **School Meals Catering Assistant** with 7.5 hours per week over term time. If you are interested either speak with Bex in the kitchen or call the Chartwells recruitment line on tel: 01872 540263.

After half term, Dax Ansell (Morgan's dad) and Mrs St Pierre will be running a new after school club called **Green Fingers** on a Tuesday, open to Years 1-6. We will be, planting, growing, and carrying out other creative outdoor projects with the aim of enhancing our outdoor environment. Bring in an old set of clothes and come and join us on Tuesday, 24th February, 3:00-4:00pm. The normal school club charge applies.

A huge **Thank You** to Dan Hills for creating our fantastic mud kitchen which is in the outside play area and is already being well used by Dingy Class and Mousehole Mice.

As part of **Lugger Class's** topic on crime

and punishment they visited Bodmin Jail. They learnt about different parts of the prison and its gruesome history. What interested us most were the tales behind the crimes and the characters involved.
