We had a really interesting science week just before half term. The title was Food from the Valley and each class was challenged with providing part of a feast by sourcing food that can be grown, caught or foraged in and around the village. Each class could trade one food item (a rule bent a little by Schooner Class) and they all prepared an excellent feast: sushi; foraged stew; home-made bread, butter and rhubarb jam; hand made pasta and pesto. A huge thank you to Gill, Adam, Bill and Vikki for sharing their time and expertise.

Schooner Class are on their residential camp next week. You can follow their exploits through our twitter account @MouseholeSch or by following MouseholeSch on AudioBoom.com.

Mazey Day is almost upon us and preparations are under way! **Murtle**, our large structure, is taking shape and the children have all been busy creating their hand held items...this year our theme is Hawaii. We have tropical fish, toucans, butterflies and lots of turtles!! We also have the Year 5 and 6 surfing down Market Jew Street this year. It would be lovely to see you all to support the school on the procession. Please meet at 12:45pm and depart St. John's Hall at 1pm on Saturday, 27th June. All we ask is a contribution of £1.50 for each child to help pay for materials (please hand into the school office) and that you come dressed the part in lots of bright clothes. The louder and more flowery the better. You might even like to go the extra mile and wear flower garlands or maybe even a grass skirt! If you can spare an hour or two to help with Mazey preparation then please come along this coming Wednesday, 10th June at 1pm to help with cutting and painting.

We shall also be having our ever popular **Samba Band**, led by Miss Judge, in our Mazey procession.

Practice sessions are after school on Thursday 11th, 18th and 25th June at 3:45pm so come along and join in!
