As a culmination of their topic this term the children of **Schooner Class** created a Greek taverna style meal for parents which was delicious. They then presented a Greek tragedy entitled *Opheus and Euridices* {except ours was a bit funny} and what a fantastic performance—well done!

On the theme of Wreck and Rescue in **Skiff and Sloop Classes** we kindly had Mr Harvey, Elle's dad, come into school to show the children a fire engine from Penzance Fire Station. The children were really excited to get close up and explore the engine.

Dylan, from Sloop Class, writes: "On Wednesday we went to the **Cinema** to watch the Sloops and Skiffs films. It was amazing when the film started because everyone was excited and the films were awesome. Interestingly all the scripts were written by the children. Finally we all came out with a smile on our face ready to go home." We hope those attending the premier enjoyed the films. Watch out for the DVD coming out soon!

Thank you everyone for your **Red Nose Day** donations and of course the super outfits. We raised just under £100. Also well done to Mickey in Schooner Class for winning the funny face competition.
