Paul Feast Concert is on 14th October. It is always a pleasure to hear our children sing and they were sounding amazing in rehearsals yesterday. The concert begins at 6:30 and we will meet at 6:15 in the church hall. The concert should finish by 7:30. It is always a lovely evening and we hope to be joined by as many children and their families as possible. The children should be in school uniform please so that look smart.

Skiff class had a super visit to Lands End airfield this week. They visited lots of different parts of the airport and learnt all about how the staff transport so many people to Scilly safely. The children had such an interesting day they ran out of time to fly their kites. Instead they had to fly them in the school field on Friday.

Mousehole School fishing club had their first crabbing trip to the harbour on Tuesday. Thanks to the kind sponsorship by Mike and Maxine Collier of Cormorant Cruising and the donation of crab buckets and lines, the budding fishing talent at Mousehole looks set to bring in some big hauls.

Thank you for supporting our non-uniform day this week.

We raised £130 which will be donated to the Red Cross to support their efforts in bringing aid to refugees.

Thank you to those of you who were able to make the class welcome meetings this week. If you were not able to make them, all the information shared is available on the **information** page of our website and is organised with a page for each class. Look out for the **Booktalk** ideas in the **learning to read and write** section for some ideas to use when hearing your child read.

Lugger Class had a great day with Swamp Circus last week. They learnt lots of different physical circus skills as part of their project work. We look forward to a great show at the end of this term.

Congratulations to our Star Award winners who this week are Mercy and Gabriel in Dinghy Class, Jonquil and Meghan in Skiff Class, Eliza, Henry and Ernie in Lugger Class, and finally Eve, Orson, Finley and Saffron in Schooner Class.

We have had considerable difficulty using our school field this week due to the large amount of dog faeces there. Please can you help us by challenging anyone you see using our field to exercise their dogs and ask them to do so somewhere else.
