We had a fantastic **Christmas Fayre** last Friday with FROMS raising over £900! The class stalls raised over £300 combined and the ever popular Christmas cards have already made £550 profit. Some cards are still available from the school office or around the village at various locations. Both FROMS and the school would like to thank everyone for all their hard work in setting up the fayre, for contributing and for turning up to support your child and the school. The funds will pay for our cinema trip this year. We will try to keep you informed about how we spend the rest of money.

Sloop Class we were very lucky to have Kari Herbert in (the daughter of polar explorer Sir Wally Herbert) to share with us her experience of growing up with the Inuit people in Greenland. She taught the children phrases in the Inuit language, showed some amazing photos and brought in her polar bear fur lined snow boots and a set of walrus tusks for us to look at.

During the school holidays, when car **Parking Spaces** in and around the village are at a premium, our staff parking area had been sitting unused. We asked Aspects Holidays if they could set up a cost-effective way of letting our parking spaces to holiday visitors. We are delighted to report that this has helped raise £1,550 for the school this year, an injection of revenue that will really help. We look forward to continuing the relationship with Aspects Holidays into 2015.

We have received a number of enquiries recently for places at the school. We thought it may be useful to know, in case you are asked, that we currently only have places in Reception, Year 3 and Year 6. Our **Admissions** criteria are available from the school website.

We are very proud of the **Fluro Wonders**: our all girl football team who put up a very determined, skillful and hard working display of football at the recent PET festival. Well done girls and thank you to Helen Bennie for your help with training.
