

This week **Schooner Class** have been learning about vehicle speed and stopping distances. The children have found out about vehicle speeds in and around the village and the top speeds and stopping of their bikes, scooters and skateboards. Their report will be out soon. We would like to thank our Community Police Officer **PC Charlotte Trembath** and her team for organising the speed camera work and for talking to the children about road safety.

The aim of our **Feast Sports** event was to give the children some fun memories and the chance to take part in some fun games as a team. We think we were pretty successful and, as ever, the saffron buns went down very well. The winning team was Porthchapel, the yellow team, thanks to their team work and great sporting behaviour. Thank you to the parents who came along to watch and support and especially to those that took part.

**FROMS** have successfully kicked off the fundraising for this term! The cake stall last week raised £90 and the Paul Feast Tombola raised £67. Thank you to those who baked or bought cakes and donated items for the tombola stall.

We feel so lucky that Reseigh (Miller's Mum) has agreed to do the amazing **Christmas Cards** again this year. She creates them using the children's individual designs. With the help of Vikki, the dynamic duo have already been into classes and started the process. For new parents, you are in for a treat. You will be able to buy packs or individual cards, designed by your child by mid November. Watch out for pre-order forms in your child's bag! All proceeds go to the school with a small donation going to Mousehole Harbour Lights. Please support us by buying and sending these cards to family and friends, raising money for your school in the process.

The FROMS team have set the date for the **Christmas Fayre**. It will take place on Friday 5th December in the school hall from 3pm. It marks the start of the Christmas season so we hope you will be able to join us. Please look out for the flyers/texts asking for donations after half term. This is our biggest money raiser this term and it is great fun for the children. FROMS need many helping hands for this event - please keep this date free!

Thank you to those who came along to the **Feast Concert** on Wednesday night and a special thank you to the children who sang so beautifully for us.

Have a look at the **Films** page of the school website for updated learning walk films to give you a flavour of what has been happening in school or follow mcps on Vimeo.
