Our **Year 6 Children** have had a really busy time and have tackled their SAT's well. All the children have worked really hard in the weeks leading up to the test and went into them with confidence and actually said they enjoyed them! Maybe the sweets helped with the brain power. We are very proud of you all, well done and congratulations.

We are very pleased to **Welcome Katie Smith** into our teaching team. Katie is an experienced and enthusiastic addition to the school and we are all looking forward to working with her and seeing the impact that another talented member of staff has on the children. We will be returning to a **Four Class Structure** in September. The Year 1 and 2 cohorts will work together as Sloop Class. Mrs St Pierre and Mrs Smith will share the class both working three days a week with an overlap on Wednesdays. Miss Lowe will also still be with us in September providing extra support and extension work for two mornings a week.

Mr Roynon was very proud to be able to accompany our school choir to the **Hall for Cornwall** on the 1st May. They took part in a performance called 'Sounds from the Hub', which showcased young musical talent from across the county. It was an amazing show and the quality of talent on show was inspiring. The finale of the evening was the cluster choir of four primary schools including our own. Their performance was a real knockout and a great way to finish.

Mazey Day this year is on Saturday, 27th June. Our theme this year is Hawaii with the children already busy making their decorations. Can you start looking for themed outfits for the event—bright, loud shirts or t-shirts, sarongs and plenty of flower leis. You could even wear a grass skirt if you feel daring enough!

At last week's **Celebration Assembly** the **Star Awards** went to Fred and Rafferty in Dinghy Class, Bibi and Ellysia in Skiff Class, Kirby and Finley in Sloop Class, Luke in Lugger Class and Leon, Ciaran and Isla in Schooner Class. This week our awards went to all of our Year 6 children for all the hard work they have done in their SATS. Congratulations and well done, you're all shining Mousehole stars!

Last Friday was the last of the **BMX** sessions. If any children are interested in taking it up as a hobby there is coaching on a Saturday morning at 9:30am. We will post some pictures on the website soon, so keep an eye out.

Karyn is creating a Wall of Sporting Talent. We are looking to celebrate the **Sporting Achievements** of our children in and outside school. You can help by sending your child in with any certificates, medals or photos related to their sporting achievements e.g. ballet exams, swimming certificates, medals, etc. These can be bought to the school office so we can take a photo with your child or a photo can be emailed to the school at secretary@mousehole.cornwall.sch.uk.

Thank you everyone for your donations on Friday toward the **FROMS Cake Stall**. They made a record £112! Thank you for your support.

Look at all these Head teacher stickers for excellent writing in **Lugger Class**. They wrote stories inspired by 'The King of the Fishes' and poems about the Mousehole Cave.
