

**We aim to create an exceptional school that harbours confidence, respect and a love of learning and prepares children for the challenges and adventures of life.**

Our aims are:

- To pursue a creative, adaptable and forward thinking approach to education which fosters a love of learning, a thirst for knowledge and is focussed on the best outcomes for children.
- To nurture children's confidence by promoting their independence. Children must believe they can achieve with and without support. They must be empowered and inspired to widen their educational opportunities and improve their life chances.
- To communicate shared values based on mutual respect in the interest of the whole community.
- To ensure an education of such high calibre and clear identity that all members of the community can feel pride in their school.
- To establish a detailed understanding of the talents, needs and personalities of all our children, ensuring our capacity to nurture and challenge every individual.
- Pursue collaborative opportunities and external support for families to improve the quality of education for the children of Mousehole School and beyond.
- To sustain a four class structure that ensures the best start for children and the best experiences of school life for their families; this includes a close working relationship with Mousehole Mice.
