

Mowzer News

Mousehole School Newsletter created by Publishing Club

Here is our first newsletter of Autumn 2020.

I am delighted to be able to contribute to this, our new pupil newsletter. It was exciting when a group of children approached me with the idea and I am so pleased that Mrs Smith and her publishing club have taken on the challenge.

Reopening the school properly this term has genuinely been a joy. It has not been without challenges and certain things have meant a lot of work and a little anxiety, but it has been so great to see all of the children so content to be back at school and their families being so supportive. This makes it all worth it. I have also really enjoyed welcoming some new children in to the school and have been really pleased with how well they have settled in.

Looking forward; I am excited about: getting our new year 6 children busy with their new responsibilities, the interesting learning projects happening in each class, developments in the school field and making the most of the project being run by Mr Ansell and the team at the Solomon Brown Hall.

Mr Roynon

School Garden

Mousehole School has developed part of the school field to become a growing area with a poly tunnel and veg patch.

Welcome Dinghies

A fabulous start in Mousehole School from the Dinghy Class. Here they are finding bees and making 'Bish, Bash, Bosh Bags' using natural dye on Wellie Wednesday.

QUIZ QUESTION

The Cornish name for Mousehole is Porthenys. Do you know what this means?

Answer: Port of the Island

FANTASTIC AUTUMN FACT

Did you know? In Greek mythology autumn began when Persephone was abducted by Hades to be the Queen of the Underworld. In distress Persephone's mother, Demeter, caused all of the crops on earth to die until her daughter was allowed to return, making it spring.

Lockdown Hobbies

Fred Year 6:

"My favourite things to do during lockdown were... go on the Nintendo Switch and play a bit of Monopoly. My favourite places to go during lockdown were the boating lake by the prom and Marazion. The new thing that I did during lockdown was motorbiking. The food that I made was bolognaise. The worst thing about lockdown was arguing with my brothers. The best thing about lockdown was watching Merlin with my mum."

Izzy Year 6:

"My favourite thing to do during lockdown was... to speak to my friends on my device. My favourite place was my room. New things that I ate were peanut butter and jelly mixed together. Worst thing about lockdown was working!

Mr Roynon:

Favourite things: eating bread and riding bikes.

Places: Gwynver and Chyhenal Pond

New things: having a bread making competition and building veg boxes.

New foods: Sourdough bread

Worst thing: Not seeing friends.

Best thing: spending more time with family.

Bella Year 3:

"My favourite things to do during lockdown were sea swimming and eating ice-cream. My favourite places to go were the woods and my garden. In lockdown I jumped the gaps. A new food that I tried was slow berries. I made a delicious cherry cake! The worst thing about lockdown was not being able to see any of my friends. The best thing was blackberry picking with my family."

Amèlie Year 3:

Favourite places: Mousehole beach

Favourite things: jumping the gaps

New things: cooking

New foods: I tried a tomato and didn't like it.

Worst things: not being able to see friends

Best thing: spending more time with family.
