Autumn Projects - Mousehole School

What made the Ancient Egyptians so successful? In **Lugger Class**, we are studying the Ancient Egyptian civilisation that existed up to 3000 years ago. We have learnt lots of exciting things like: how Howard Carter discovered the tomb of Tutankhamun and the curse that might have been placed on him. We learnt that Ancient Egyptians removed all their body hair and sometimes bathed in milk as part of a beauty regime. We've also learnt about how and what they worshipped.

In **Schooner Class** we are learning about British history this term, specifically WW2. Our history focus will include the Battle of Britain, stories about evacuees, the Blitz, Land Girls and the Home Guard. Our class text is the fabulous 'Letters from the Lighthouse', a story about a brother and sister who were evacuated to Devon and have a mystery to solve. Our Essential question is: Is your journey really necessary?

Skiff Class have been exploring the question 'What are pirates really like?' We have learnt all about the famous Cornish Pirate Lady Killegrew and Blackbeard. Next we will be learning about what life was like on board a pirate ship!

Dinghies - Our project is 'where in the world...?'

In our first term we have been on autumnal adventures and learning about different native animals. We are now moving on to explore the night sky and space... well done dinghies to infinity and beyond.

RIDICULOUS RIDDLES!

Two fathers and two sons spent the day fishing, but only caught three fish. This was enough for each of them to have one fish each. How was this possible?

There were only three people fishing. There was one father, his son and his son's son.

What goes up, but never comes down?

Your Age!

Interview with Maria Hesiltine - music teacher

What musical instruments do you teach? *Keyboard and singing.*

What did you love during lockdown? *I became an incredible cook.*

Who has been your favourite student? *That is impossible, it is like asking me what my favourite colour is! All my students are unique.*

Name one of your hobbies: *I walk 20,000 steps a day and have almost walked the entire Cornish coastline. I am really tired!*

What is your favourite food? *Vegan Curry*

AUTUMN RECIPE

How to make delicious hedgehog shaped bread rolls!

You will need:

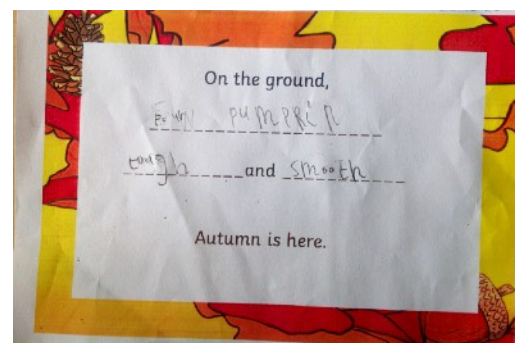

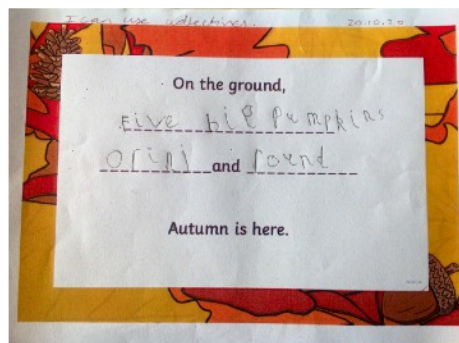

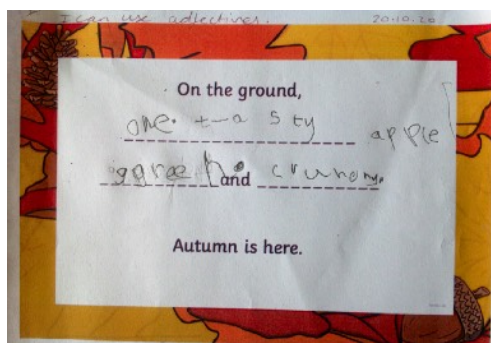

- 500g of crusty bread mix
- 325ml warm water
- 36 chocolate drops
- A handful of flour
- Greased baking sheet
- Damp tea towel
- Kitchen scissors

What to do:

Put the bread mix and water in a large bowl and stir. Knead for a few minutes on a floured surface and leave for the same amount of time. Separate the dough into 12 pieces and roll into a ball. Then, pinch a snout in each 'hedgehog'. Place on the greased baking sheet and cover with a damp tea towel, leave to rise for one hour. Ask a grown up to pre-heat the oven according to the bread mix instructions. Ask an adult to snip spines in each dough ball using scissors. Press chocolate drops in for eyes and nose. Ask your grown up to bake according to the bread mix instructions. Enjoy your breadhog!
