The **Lugger Class** children had a brilliant visit and sleep over at the National Marine Aquarium in Plymouth last Thursday and Friday. They travelled by train and had a long walk through Plymouth to the aquarium. The children had a fantastic day and represented the school brilliantly. The aquarium staff were really impressed by the children's marine knowledge. Thank you to Mr Mullaney, Mrs Perry and Mrs Tilley for taking them.

We have been informed by the Golowan committee that we will be in the **1:00pm Mazey Day Parade** this year. Please can everyone meet at the top of Morrab Road at 12:40pm on Saturday, 23rd June, where we will

assemble behind the school banner ready to join the main structure and parade. Class hand held items will be ready for collection and instruments will be distributed ready for a quick practice. Mazey Day is always a fun filled day but can we ask that everyone come prepared for hot or wet weather and all children need to be accompanied by a family member. The whole Mousehole school family are welcome to join the parade but we would ask that you are all dressed in keeping with our theme of 'India' this year.

Skiff Class had an amazing dinosaur adventure day! They started their day with a letter from Gill letting them know that Dex the Rex had escaped and was causing trouble on the school field. When they got to the field they had to solve a problem - the children had to behave like a dinosaur moving and hunting then created a magic potion to set the dinosaurs free. The children made some fantastic dinosaur nests and worlds from clay. A massive thank you to Gill for such a brilliant day!

Well done to the **Athletics Team** that took part in the Penwith Sports Partnership event at Carn Brea recently. You are all a credit to the school, determined to do your best and to have fun!

Schooner Class have had a busy week. On Monday they visited the Merry Maidens standing stones with astronomy heritage expert Carolyn Kennet. This was followed by a day working with poet and artist Keith Sparrow. The children have prepared some performance poetry for Sea, Salts and Sail and also had a chance to get some Manga art tips from Keith.

On Tuesday, our Year 6 children enjoyed a brilliant **Wonderstruck** science show courtesy of the Truro College

science department. While we up in Truro, Mrs Brockelsby arranged a visit to the Cornwall Library Service. The unit on the Threemilestone Industrial Estate is a real treasure trove of books and the children all had input into choosing a new stock of 200 books for our school library. We were also donated some lovely “big books” for class sharing.

Hopefully you are finding our use of **Seesaw** helpful. It is already saving the school on paper and printing costs. Just about every child in the school has a parent connected to their account now, which means we can use it as our main tool for written communication although we may need to send out letters when we need signed consent. If you have not connected yet please make sure you do (or speak to a member of staff about any issues). With such a busy term ahead, be sure not to miss anything by continuing to check Seesaw for class notifications and also the school website for the full events diary.

Can we remind you once again, that all school **Cups** need to be returned to school as soon as possible once you have had them engraved.

Mr Roynon will be taking a few days off from the 14th June for a planned operation. Mr Roynon is expected to be off work for two weeks. During this time Mrs Newborn will be the senior member of staff in the school.

Don't forget the **FROMS Summer Fayre** on Friday, 15th June, starting at 2:00pm. So that everyone to take part and enjoy the event, this year all children should be collected from school at **2:00pm** and escorted to the school field. Please check your Seesaw messages.
