At our last
**Celebration
Assembly the
Star Awards**
went to Felicity
and Otto in
Dinghy Class,

Ellis, Isla and Reign in Skiff Class, Lucy, Lilly and Guanxing in Lugger Class and Henry, William and Angelina in Schooner Class. This week the awards go to Bella and Jago in Dinghy Class, Charlie, Tallulah and Zennor in Skiff Class and Reggie, Ben and Oscar in Schooner Class. Congratulations, you are all Mousehole stars!

The **Friends Of Mousehole School {FROMS}** would like to say a huge thank you to everyone who was involved in helping with the Summer Fayre, and of course thank you to those who attended too! It was a great success and FROM's raise just over £1000.00.

Another great **Mazey Day** parade last Saturday. Thank you to everyone for dressing up in such colourful outfits and participating in the parade - didn't we all look fantastic!

Our Indian theme will continue with our production of **Jungle Book** which is on Thursday, 19th July. Two tickets per family are available for each of the two performances starting at 1:30pm and the 6:30pm and will be available from the school office next week. You will appreciate that with such a big production in the school hall we are also limited to 130 tickets per performance being available so this will also be on a 'first come, first served' basis. The children have been rehearsing very hard and are really excited and look forward to performing for you.

The **Mousehole Royal British Legion** came into school and showed the

Schooner Class children the two wreaths which will go to Ypres to commemorate the 100th anniversary of WWI. They will also take a booklet, that the children created, with messages of hope. This will be available to view in the school reception for a while. The Legion also presented the school with a

beautiful hand stitched memorial picture commemorating the war.

Sea, Salts, and Sails is a fantastic three day maritime festival held in the village every other year. This year the event falls on the 12th-15th July. As part of this event, Dan and Louis came in to school to make cork boats with the children from Dinghy Class and Skiff Class. The children had great fun trying out their sea-faring vessels on the purpose-built wind pool. These boats will be available at the festival on the Saturday when there will be a boat race at 4 pm. Volunteers needed: if you could support the event by volunteering some time, the committee is looking for help on the barbecue and refreshment stands. Please see Louise Bradley in the playground.

You may have noticed we have **Two Guests** with us in school at the moment. The students are from Switzerland studying for the equivalent of A-levels with a teaching element to their course. The school is paid to host the students and their obvious benefits for the children. The host family is also paid; if you have space and are interested in hosting in the future please let the school office know.
