### Schooner Class London Trip 2022

At the beginning of March Schooner Class visited London for four days. They had the most amazing experience and well and truly packed in the activities. These included travelling on the London Eye, visiting the Houses of Parliament, St Paul's Cathedral and the Natural History Museum, watching The Lion King at the Lyceum Theatre, travelling by tube and river taxi and eating out in restaurants. A fabulous time was had by all and the exhaustion was worth it!
